Active November Travel Passport – FAQ

What is Active November?

Active November is an annual promotion to encourage students and families to use active travel to get to and from school. Active travel can include walking, riding a bike, using a scooter, skating – anything active!

Active travel doesn't need to happen every day to make a difference. Even walking, riding or scooting part of the journey to school can help children build healthy habits, increase physical activity, improve road safety awareness, and enjoy quality time with family and friends.

Every walk, ride or scoot counts. Gather your family, explore your neighbourhood, and enjoy spending time together while building healthy habits that can last a lifetime.

What is the Active Travel Passport?

Throughout November, students are encouraged to record their active trips using the Active Travel Passport. The passport can be kept at home or in a school bag and completed each day a student travels actively to or from school.

The Passport can be downloaded from this page or via: www.casey.vic.gov.au/safe-around-schools
